Our standards terms and conditions of business shall apply.

The results relate to the sample and the most recent methods available with a 95% confidence level.

The information contained herein is based on laboratory tests and observations performed by Intertek on a sample of unknown origin submitted by the client solely for testing. Intertek disclaims any and all liability for any damage or injury which might result from the use of the information contained herein, and nothing contained herein shall constitute a guarantee, warranty or representation by Intertek with respect to the accuracy of the information, the sample, the product or item described, or its suitability for use for any specific purpose.

Except where explicitly agreed in writing, all work performed by Intertek are subject to Intertek Standard Terms and Conditions which can be found on our website at <http://www.intertek.com/terms/>. This certificate is addressed to and for the sole benefit of the Customer. Only the Customer is authorized to permit copying or distribution of this certificate and then only in its entirety and only pursuant to the purpose for which it was prepared and provided. The issuance of this certificate does not exonerate any party from exercising all of their rights and discharging all of their commercial, legal or contractual liabilities with any third party. Any reported observations and results within this certificate should be read and relied upon only in the context of the intervention of Intertek and for the purpose for which this certificate was prepared and provided. The reported observations were made on the basis of information, materials received from the Customer or its nominated third parties or on the basis of facts and information in existence at the time and place of intervention of Intertek only and collected by Intertek in accordance with Customer instructions, or in the absence of such instructions, in accordance with generally accepted practices and standards of the industry. Reported result(s) relate only to the samples that were collected in accordance with the instruction of Customer.
